Synopsis

Violetta Valéry, the renowned courtesan, is suffering from the final stages of consumption. As she languishes in a sanatorium, she relives moments from her brief, tumultuous life.

When Alfredo Germont arrives at a party at her home, she is surprised by his devotion and concern. Alfredo leads a toast to love; Violetta responds with a toast to pleasure. Feeling faint, she excuses herself to rest. Alfredo follows, begging her to allow him to love and care for her. She tells him she is not interested in commitment but invites him to return the next day. Alone, she wonders if she is capable of real love but dismisses the idea as nonsense.

Three months later, Violetta and Alfredo are living together outside Paris. After learning that she plans to sell her belongings to maintain their country retreat, Alfredo goes to Paris to pay their debts. While he is away, Giorgio Germont visits and begs Violetta to leave Alfredo, his son, arguing that her association with the family will ruin his daughter's prospects. Violetta, moved and heartbroken, writes to Alfredo and tells him she no longer loves him. When Alfredo receives the letter, he is devastated; his father's attempts to console him are unsuccessful.

Violetta attends a party with her new protector, Baron Douphol. Violetta pulls Alfredo aside and begs him to leave; he refuses and threatens to duel with the Baron. To avoid breaking her promise to the elder Germont, Violetta insists that she loves the Baron. Furious and hurt, Alfredo calls the guests together and publicly insults Violetta.

Violetta, returning to the present, rereads a letter from Giorgio Germont. According to the letter, Alfredo went abroad after dueling with the Baron; his father wrote to him to explain Violetta's sacrifice.

Alfredo arrives, asking forgiveness and pledging eternal love. Violetta expresses hope for their future together, but she is very weak. Alfredo sends Annina for the Doctor. He arrives with Giorgio Germont, who reproaches himself for his earlier behavior toward Violetta. He asks forgiveness and pledges to accept her as a daughter, but he is too late.

*Librettist, translator, and resident dramaturg for
The Glimmerglass Festival and Washington National Opera*

“Too Great a Heart”

I am neither rich enough to love you nor poor enough to be loved as you would like. So let us both forget—you, a name which must mean hardly anything to you—me a happiness which has become impossible to bear. There is no point in telling you how sad I am—for you already know how much I love you. So farewell—you have too great a heart not to understand the reason for my letter and too good a nature not to forgive me for it.

So wrote Alexandre Dumas *fils* to Marie Duplessis, the young woman who had climbed out of a childhood clouded by violence, poverty, and drunkenness to become one of the most celebrated Parisian courtesans of her day, renowned not only for her beauty but for her grace and wit. Composer Franz Liszt is said to have been among the many lovers she took in her short life.

In 1848, Dumas created a sensation with *La Dame aux Camélias*, inspired by his brief affair with Duplessis. In the novel, Dumas tells the story of a woman whose beauty is matched only by her nobility and generosity—a woman beyond reproach, but for her reliance on lovemaking as a livelihood.

Duplessis died of tuberculosis at the tender age of 23, which possibly served to enhance her legendary status. “Consumption seemed to capture the popular notion of Romanticism,” writes Richard Barnett in *The Sick Rose*. “An excess of passion, burning away inside the body, purified the creative soul with suffering.” The disease has been blamed for the deaths of John Keats, Anton Chekhov, Henry David Thoreau, Frédéric Chopin, and the Brontë sisters, among many other artists. Barrett observes that, compared with more fast-acting diseases, consumption could set the stage for a “good death,” in which patients experienced a gradual decline that allowed ample time to settle their affairs. And certain physical symptoms—pale skin, glittering eyes, and emaciated figure—were even seen as fashionable.

Giuseppe Verdi chose *La Dame aux Camélias* as the subject for his next opera in late 1852, while he was still at work on *Il Trovatore*. The new opera’s subject was a drastic departure from not only that of his work in progress, but from everything that had come before. Like his contemporaries, Verdi tended to rely on historical and fantastical plots and characters.

Working with librettist Francesco Maria Piave, Verdi completed *La Traviata* in record time. Dumas had also adapted his story for the stage, and Verdi and Piave used the play as a starting point for their intimate drama, which met with trouble from the start. In the eyes of the censors, the sympathetic portrayal of a courtesan was made even more scandalous by its contemporaneity. In addition to demanding alterations to the libretto and a completely new title (*Amore e Morte*, or *Love and Death*), the authorities insisted the action be moved to the 1700s for the premiere.

The first performance satisfied no one. Verdi called it a fiasco, placing much of the blame on the casting. Despite the backdating, critics found the material shocking and

inappropriate. Verdi revised the score for a revival, with a new cast, at Teatro di San Benedetto, where the opera met with success. *La Traviata* went on to become one of the most beloved operas in the repertory. In less than a decade, it circled the globe, with performances in Madrid, Vienna, Malta, Barcelona, Lisbon, Rio de Janeiro, London, Buenos Aires, Warsaw, Moscow, Dublin, Mexico, New York, Paris, Santiago, Montevideo, Hamburg, Budapest, Bucharest, Graz, Zagreb, Corsica, Amsterdam, Melbourne, Berlin, Brussels, Milwaukee, Prague, and Zurich.

Dumas admitted that his Marguerite Gauthier was a somewhat idealized version of Marie Duplessis, and Verdi's Violetta Valéry is a more noble creation still. "For Verdi, melody was a symptom of affection," writes Peter Conrad in *Verdi and/or Wagner*, "And his operas exhibit all the varieties of love, sacred as well as profane, parental as well as connubial." *La Traviata* is no exception—we feel the elder Germont's genuine love as he begs Violetta to lift the cloud of scandal from his family. And we see Violetta's own affections shift and deepen; not long after she accepts Alfredo's love, her great heart bows to the pressures of a society that will never accept her, releasing Alfredo and his family to live a "happy life" within convention's bounds.

Giuseppe Verdi's *La Traviata* is perhaps the most popular opera of all time. In the last 15 years alone, it has been performed nearly 700 times—more than any other opera—and more than 50 recordings of the work have appeared since the first one, in 1912. It was already a repertoire staple by the late 1850s, and it has been a vehicle for sopranos from Adelina Patti to Diana Damrau. The story of Violetta and Alfredo's tragic love never fails to move audiences. It may come as a surprise, therefore, to know how much Verdi struggled with *La Traviata*'s creation. A compressed composition timeline and a weak cast led to a terrible premiere, and it wasn't until more than a year later that *Traviata* finally achieved lasting success.

La Traviata originated with a commission from Venice's Teatro La Fenice in early 1852. Verdi argued with the theater owners for months over the cast, which eventually included Fanny Salvini-Donatelli as Violetta, Lodovico Graziani as Alfredo, and Felice Varesi as Germont. Although Varesi was an old friend (and his original Rigoletto and Macbeth), Verdi wasn't pleased with any of the choices, and he struggled to find a subject by the theater's deadlines. He finally decided upon Alexandre Dumas the younger's novel *La Dame aux Camélias*, inspired by Parisian courtesan Marie Duplessis. Verdi and poet Francesco Maria Piave drafted the libretto in only five days, originally titled *Love and Death (Amore e morte)*. In a letter, he praised the story as "a subject of the times. Others would not have done it because of the conventions, the epoch, and for a thousand other stupid scruples." Yet he worried about the cast and struggled to write. Unlike composers of a generation before, Verdi usually spent months crafting each opera, but he had produced nothing by January 1853, barely two months before the premiere. Neither libretto nor music was finished when rehearsals started in February. To make matters worse, the theater set the story circa 1700, destroying the immediacy that had drawn Verdi to the story. La Fenice's season had already been rocky, and he was terrified that *Traviata* would be an utter failure.

Things started off well when *La Traviata* opened on March 6, 1853. The audience clapped so loudly for the prelude that Verdi had to come out and bow. Salvini-Donatelli sang wonderfully, although she looked nothing like the consumptive Violetta Verdi had pictured. Graziani sang poorly, however, while Varesi considered his part below him and made little effort. Acts II and III, where much of the drama falls to Alfredo and Germont, went so badly that the audience laughed. Verdi was furious, writing to his publisher and his friends about the "immense fiasco." Although the production lasted nine nights and gradually won over Venetian audiences, to Verdi it was a failure. He vowed, however, that this would not be the "last word."

A year later, following revisions to the score and with an entirely new cast, *La Traviata* came to the stage again. This new production, at Venice's Teatro San Benedetto, was an enormous success. Piave described new *prima donna* Maria Spezia as "made for this opera," not only for her voice, but for her entire performance, which made her into the "incarnation" of Violetta. The opera became an immediate and permanent part of the operatic canon and a favorite for star sopranos. In the next two years, it was performed more than 200 times in Europe, the Americas, and the Middle East. When Verdi's friend

Emanuele Muzio visited London in the 1860s, the opera could be heard at three different theaters on the same night.

While Dumas's story and Piave's libretto have certainly contributed to the opera's success, Verdi's music is what draws audiences into Violetta and Alfredo's star-crossed love. Even before the opera begins, the prelude tells the story in reverse. High, ethereal strings foreshadow Violetta's tragic fate before blossoming into the romantic theme to which she sings "Love me, Alfredo, as much as I love you" in Act II. This theme repeats with playful decorations evoking Act I's flirtatious courtesan before the prelude concludes.

During the rest of the opera, Violetta's voice follows similar changes in style from act to act, tracing her decline. Her Act I music is filled with rapid, playful, florid lines emblematic of the "paths of pleasure" she swears she follows. In Act II, this ostentation disappears. She instead moves through careful gradations of emotion as Germont's arrival takes her from noble pride ("I am a lady, sir, and in my own house") to breathless fear ("Don't you know the love, lively and immense, that burns in my heart?") and, eventually, to despairing resignation ("I'll die . . . I'll die . . ."). When we hear "Love me, Alfredo, as much as I love you," our hearts break, just as they are supposed to. The angelic strings of the prelude return in Act III, halting a bedridden Violetta, who is reduced from music to speech as she reads Germont's letter. When she attempts her old vivacity for Alfredo, Verdi restricts her range and gives her tremulous lines that give way to coughs. In her final moments, as she imagines her strength returning, solo strings surround her one last time, but that strength gives out in a final exclamation, leading to a tempestuous orchestral coda.

As Violetta feels that last surge of energy, solo strings play the last recurrence of a melody that appears throughout *La Traviata* to symbolize her and Alfredo's love. Alfredo sings it the first time in their Act I duet, declaring he is "In that love which is the pulse of the universe." Violetta quotes it later in the act as she realizes her own feelings, and Alfredo sings it from offstage as she resists the idea, promising to be "always free." The melody returns twice in the orchestra during Act III to accompany the dying Violetta, a tenuous thread connecting her to her lost happiness.

The original *Traviata* may have been a fiasco, but Verdi's opera has turned out to have indisputable power. After the premiere, the composer had wondered to a friend "Is it my fault or the singers'? Time will tell." Time has told, and the fiasco has become a phenomenon.

Italian Diction Coach

Daniela Siena brings many years of experience in teaching Italian diction and language to singers. She was introduced to operatic diction by Boris Goldovsky, who was seeking a native speaker without teaching experience to work with singers according to his own pedagogical principles. Siena went on to teach in a number of operatic settings (among them, the Curtis Institute of Music, Metropolitan Opera, New York City Opera, and Seattle Opera). Over the years, she worked with a number of well-known singers, including Samuel Ramey, Justino Díaz, Carol Vaness, Wolfgang Brendel, June Anderson, Gianna Rolandi, and Jerry Hadley. The conductors, coaches, and stage directors with whom she has worked include Otto Guth, Max Rudolf, Edoardo Müller, David Effron, Arthur Fagen, Anthony Papano, Anthony Manoli, Terry Lusk, Dino Yannopoulos, Tito Capobianco, Andrei Șerban, John Cox, and John Copley. At New York City Opera, Siena worked closely with Beverly Sills—as her executive assistant, as a diction coach, and as the creator of English supertitles for a dozen operas. More recently, Siena worked for two years as a coach for the Young Artists Program of the Los Angeles Opera and, for the past six years, she has taught in Dolora Zajick's summer Institute for Young Dramatic Voices. Born in Florence, Italy, to an Italian mother and a Russian émigré father, Siena arrived in the United States at age seven. She earned a B.A. from Sarah Lawrence College and, in her twenties, worked for two years in Italy as secretary to the president of the Olivetti Company. Many years later, she continued her education, earned a master's degree, and became licensed as a psychotherapist by the state of California, where she practiced for 15 years. The mother of two grown children, she moved to Bloomington to be near her son, who lives here with his wife and two young daughters.

Special thanks to

Alumnus Rick Marvin for his instrumental role in bringing *Jacobs Live at the Movies* to life and for spending countless hours organizing, programming, and leading the IU Jacobs School of Music's first-ever partnership with Film Independent in Los Angeles, which provided an unparalleled industry experience for our Music Scoring for Visual Media students.

Carol, B.M.E.'74, and John Cornwell, B.A.'73, and the Cheerful Heart Mission for five consecutive years of outstanding partnership with the IU Jacobs School of Music and our music education students, sending them, and Jacobs School faculty, to the Dominican Republic and Haiti to provide music education for the youth in those countries.
